IN THE ANALYSED FOOTAGE provisional

1	1	0.0 s	3.1 min
touches	passes	on the ball	on screen

Touches and passes are credited automatically from the tracking and checked by eye only; they cover the analysed video, and only what the camera showed.

PHYSICAL LOAD provisional · on camera only

293 m	20.6 km/h	45 m	0	1	1
distance covered 136 m per min	top speed brief spikes left out	high-speed running (≥19.8 km/h) 15.6% of distance	sprints (≥25.2 km/h, ≥1 s) 0.00 per measured min likely under-counted	accelerations (≥3 m/s²) 0.46 per measured min	decelerations (≤−3 m/s²) 0.46 per measured min likely under-counted

2.2 min
measured on camera every figure here covers only these minutes

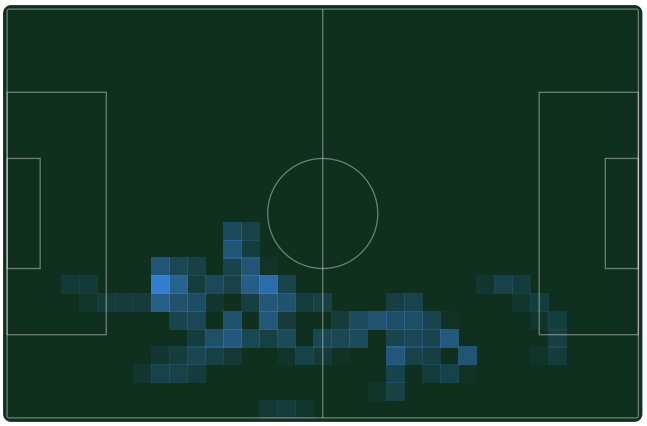

Measured only while the camera shows him and the pitch markings, with replays left out. These are not whole-match totals.

▶ How this is measured

WHERE HE WAS

provisional · on camera only

THE FOOTAGE · 2.2 MIN

Positions while the camera showed him, one map per half: the teams change ends at half time and which way each attacked is not determined from the footage, so the halves are never added together.

Arsenal 3-0 Manchester City · English FA Community Shield · 2026-08-16. Official figures cover the full match; tracked figures cover the analysed footage only, on camera only, and are provisional. Generated 11/5/2026.
